ATTORNEYS AT LAW

COMMERCIAL LITIGATION

Our commercial litigation practice focuses on swift, efficient problem solving for our clients. Whether it be through negotiation, litigation, or alternative dispute resolution, our commercial litigators focus on understanding our clients' needs and goals and work tirelessly to achieve them.

Our responsiveness and success has generated many long-standing client relationships, in which our clients look to us to handle various types of matters from basic contract disputes to complex litigation, including disputes in the following areas:

- Contract disputes
- Construction litigation
- Creditors' rights
- Real estate
- Restrictive covenants and executive separation
- Trade secrets
- Partnership disputes
- Commercial financing
- Work-Outs and Restructuring
